## **Lovejoy Soccer Juggle-thon 2024**

## **Player Name:**

## Grade Level: \_\_\_\_\_

The Lovejoy High School soccer teams and Upper 90 Booster Club are conducting a juggle-thon fundraising event to benefit the LHS soccer program. The funds raised will support Lovejoy Soccer by helping to pay for replacement uniforms, balls, nets and practice equipment not covered by school funds. LHS players will show off their soccer juggling skills and collect donations for the juggle-thon. Donations can either be a specific dollar amount or per consecutive juggle. The event will take place Wednesday, December 11th. Players will be given 30 minutes to complete the most consecutive juggles, resetting when the ball touches the ground. The highest number of consecutive juggles by the player during the 30-minute time period will be used to calculate the donation.

\*If a player is unable to attend on 12/11, he/she will juggle on their own during the weekend.

All forms and donations are due by Thursday, 12/19.
